

**NIMCO**

company & product introduction

# COMPANY INTRODUCTION

NIMCO is a proudly Czech brand specializing in bathroom accessories, mirrors, and a wide range of other bathroom products. Our reach extends beyond the Czech Republic and Slovakia to countries such as Lithuania, Germany, Italy, France, and many more.

Our journey began with the introduction of products that were once hard to find in the region, such as accessories with unique finishes that reflected the latest design trends of the time. As style and design continue to evolve, so does our mission — to consistently meet the needs of our customers with modern, high-quality products.

With decades of experience, we have curated a diverse selection of products that cater to both enthusiasts of contemporary design and those who prefer classic, timeless styles. Our product range includes LED mirrors in various shapes, sizes, and colors, shelves made of artificial stone, ceramic accessories, ultra-clear glass shelves, wire organizers, built-in dispensers, and much more. These products are presented in greater detail on the following pages.

At NIMCO, functionality and aesthetics go hand in hand. We believe that neither should be compromised, which is why we strive to create products where utility and design are perfectly balanced. This philosophy defines the NIMCO brand — a harmonious blend of style and quality.

Our customers value not only the exceptional design and craftsmanship of our products but also our fair pricing, thoughtful packaging, and dedicated customer support. We stand ready to assist with any concerns, ensuring satisfaction at every stage of the customer journey.

We invite you to partner with us and become part of the NIMCO success story!

# ABOUT NIMCO

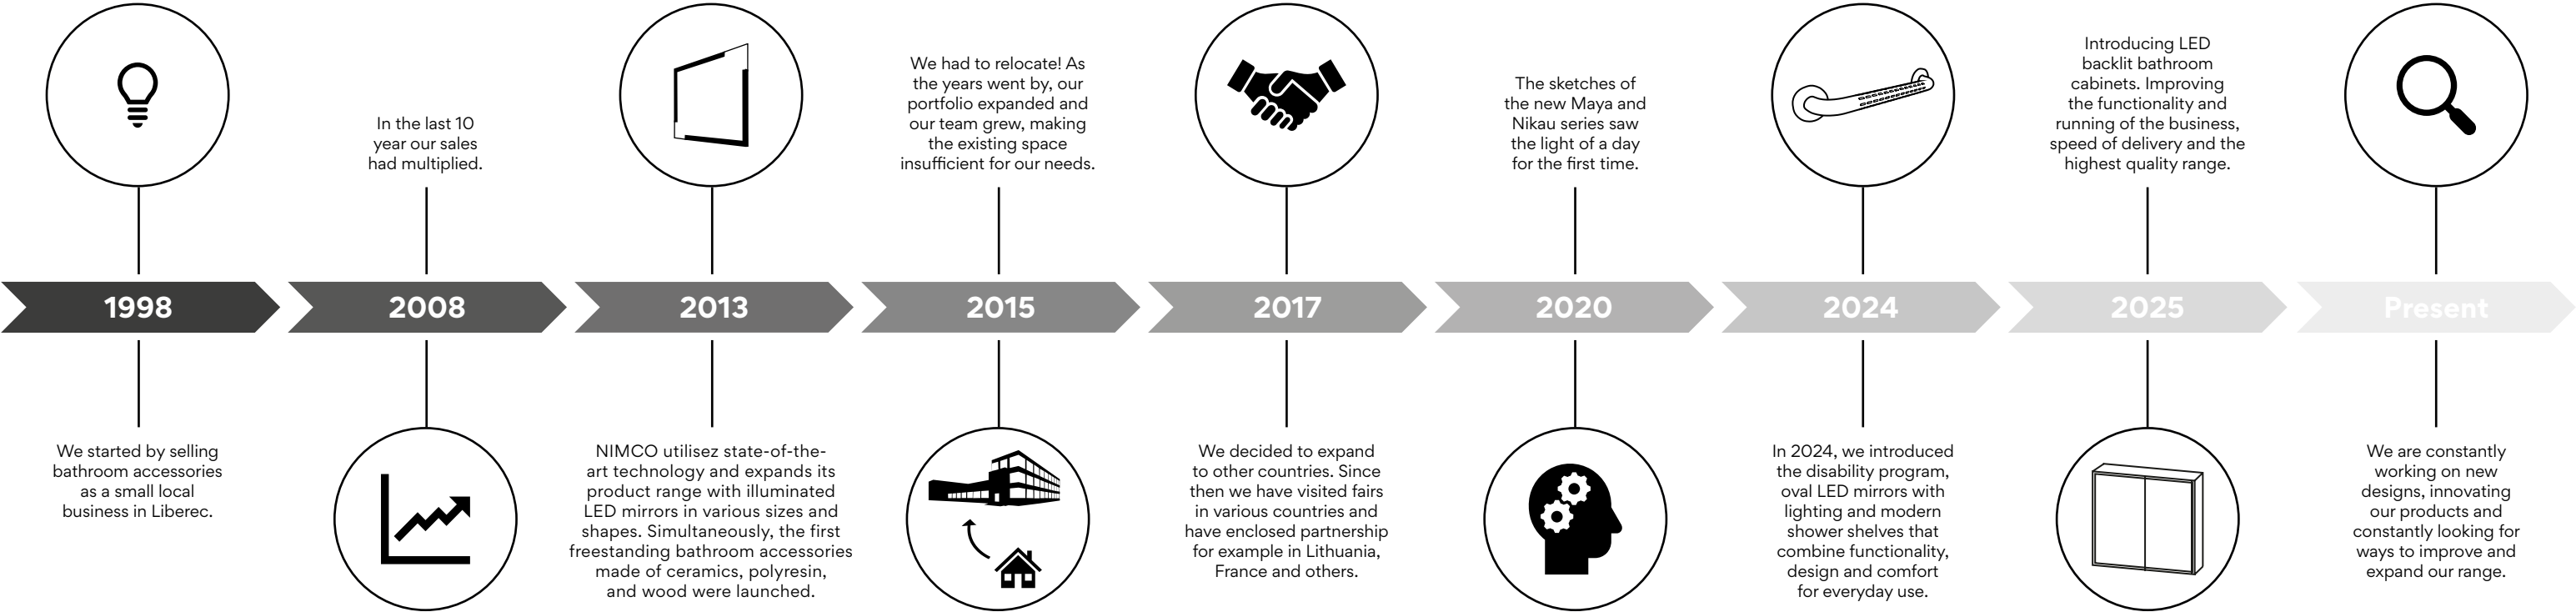

We are a small yet ambitious company from Liberec in the Czech Republic, specializing in bathroom accessories and LED illuminated mirrors. Our goal is to bring beautiful products into bathrooms that not only enhance the space aesthetically but also, thanks to their innovative functions, bring a smile to your face and make daily moments in the bathroom more enjoyable. We understand that design is a key element in transforming a bathroom into an extraordinary space, and that's why we focus on creating modern and aesthetically refined products.

**„CHCEME PŘINÁŠET KRÁSU  
A INOVACE  
DO KAŽDÉ KOUPELNY”**

**„WE WANT TO BRING  
BEAUTY  
AND INNOVATION  
TO EVERY BATHROOM.”**

# NIMCO TIMELINE

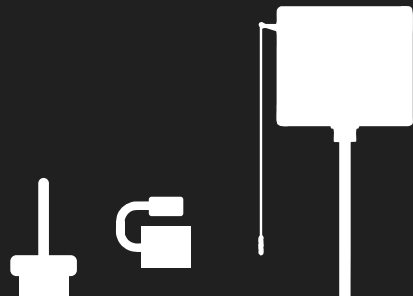

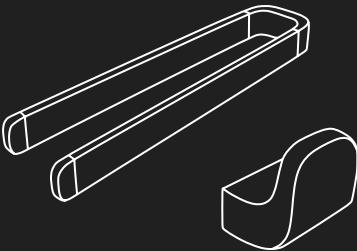

RANGE OF PRODUCTS

01

Bathroom accessories

Elevate your bathroom with our elegant and high-quality accessories. Designed with superior surface finishes, our products offer exceptional durability and resistance to moisture. Crafted from premium brass, known for its strength, sophisticated appearance, and timeless charm. This thoughtful combination of materials and meticulous craftsmanship ensures products that are both functional and visually striking. Perfect for those who value reliability, quality, and style, our bathroom accessories make a refined addition to any space.

BORN IN  
CZECH  
REPUBLIC

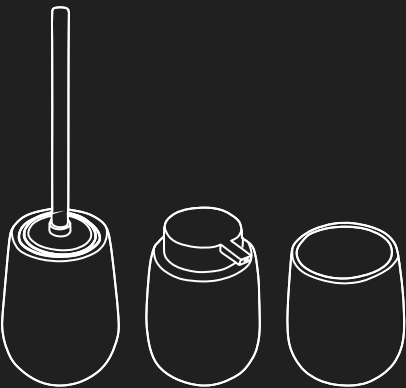

RANGE OF PRODUCTS

02

Freestanding accessories

Enhance your space with our versatile freestanding accessories, designed to deliver style, quality, and practical functionality. Crafted with premium surface finishes, our products offer long-lasting durability and effortless maintenance. We incorporate modern materials like polyresin, known for its strength and easy cleaning, alongside bamboo, which adds a natural, eco-friendly touch. This thoughtful blend of materials ensures both the resilience and aesthetic appeal of our accessories, making them a perfect addition to any contemporary setting. Ideal for those seeking a balance of design and practicality, our freestanding accessories are the ultimate choice for modern living.

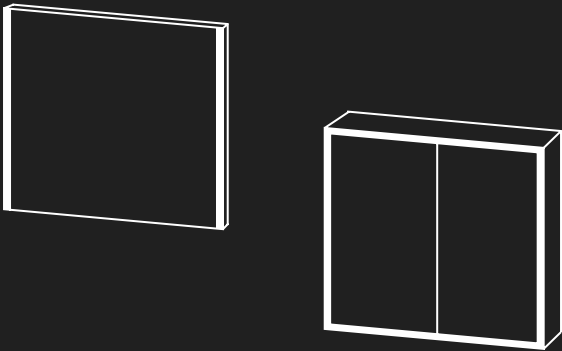

RANGE OF PRODUCTS

03

LED mirrors and  
bathroom mirror  
cabinets

Experience the perfect blend of modern design and exceptional quality with our backlit LED mirrors. Crafted with high-grade materials, these mirrors feature cutting-edge innovative 2835 LED chips, offering a remarkable 50,000 hour lifespan. Enjoy the convenience of our smart memory function, which remembers your last color and brightness settings, allowing you to return to your preferred lighting with ease. For enhanced safety, we use 5mm tempered glass to provide superior protection against breakage, while a shatter-resistant protective film on the back adds an extra layer of security. Our mirrors are enclosed in a sleek, durable aluminum frame and cover — a material known for its resilience in heavy-use areas like bathrooms. Aluminum is also an ideal choice for housing electronic components, ensuring complete protection for sensitive parts such as voltage sources. This robust design meets IP44 standards, making the mirrors resistant to dust and splashing water. For added versatility, the mirror can be installed both horizontally and vertically, giving you complete control over its positioning. The acrylic diffuser ensures even, intense illumination, providing better visual comfort and a polished, modern aesthetic. Elevate your space with a mirror that combines style, durability, and innovative technology.

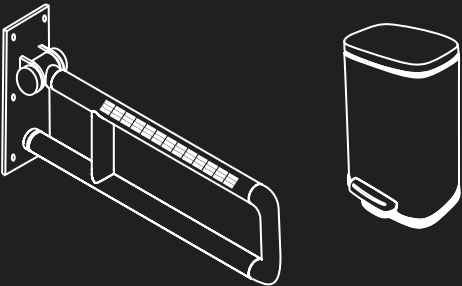

RANGE OF PRODUCTS

04

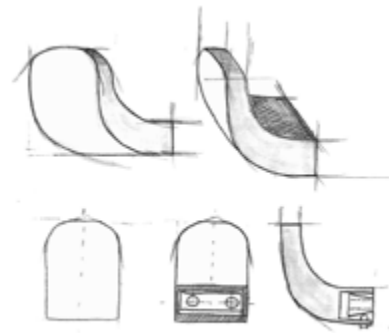

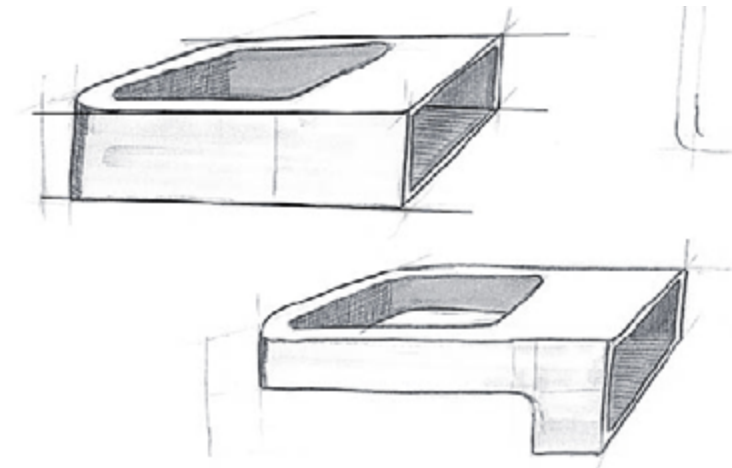

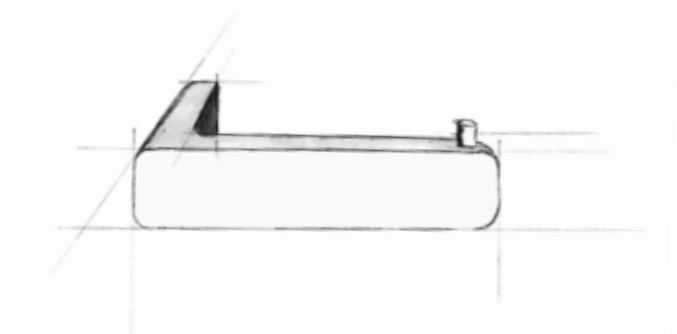

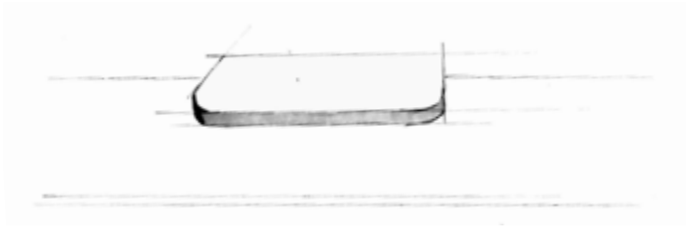

Various

Choose from our wide range of products, including safety grab bars, built-in dispensers for kitchens, bathrooms, and public restrooms, hygiene solutions such as paper towel dispensers, toilet paper dispensers, wire shelves, trash bins, and many more. Our products are designed with maximum functionality, safety, and durability in mind. Benefits of our accessories include high-quality surface finishes and the use of durable materials such as brass, stainless steel, and zinc alloy, ensuring high resistance to wear and moisture. These materials are perfect for use in challenging environments like bathrooms, kitchens, or public restrooms. Our products combine top-notch quality and design, making them not only practical but also aesthetically pleasing.

OUR DESIGNS

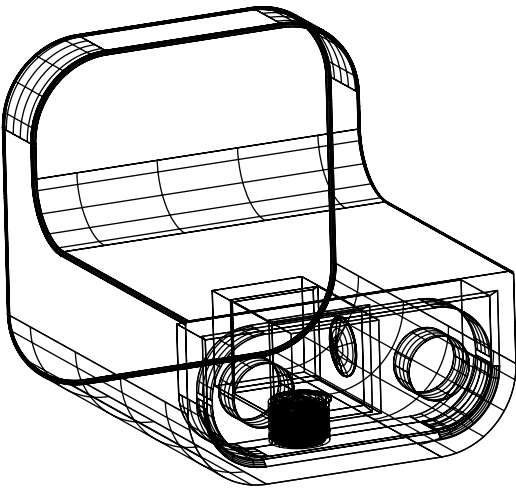

We create designs from the initial concept to final realization. Each project is a unique reflection of our passion, creativity, and attention to detail. We blend modern trends with timeless aesthetics, believing that great design is not only visually appealing but also functional and tailored to the client's needs.

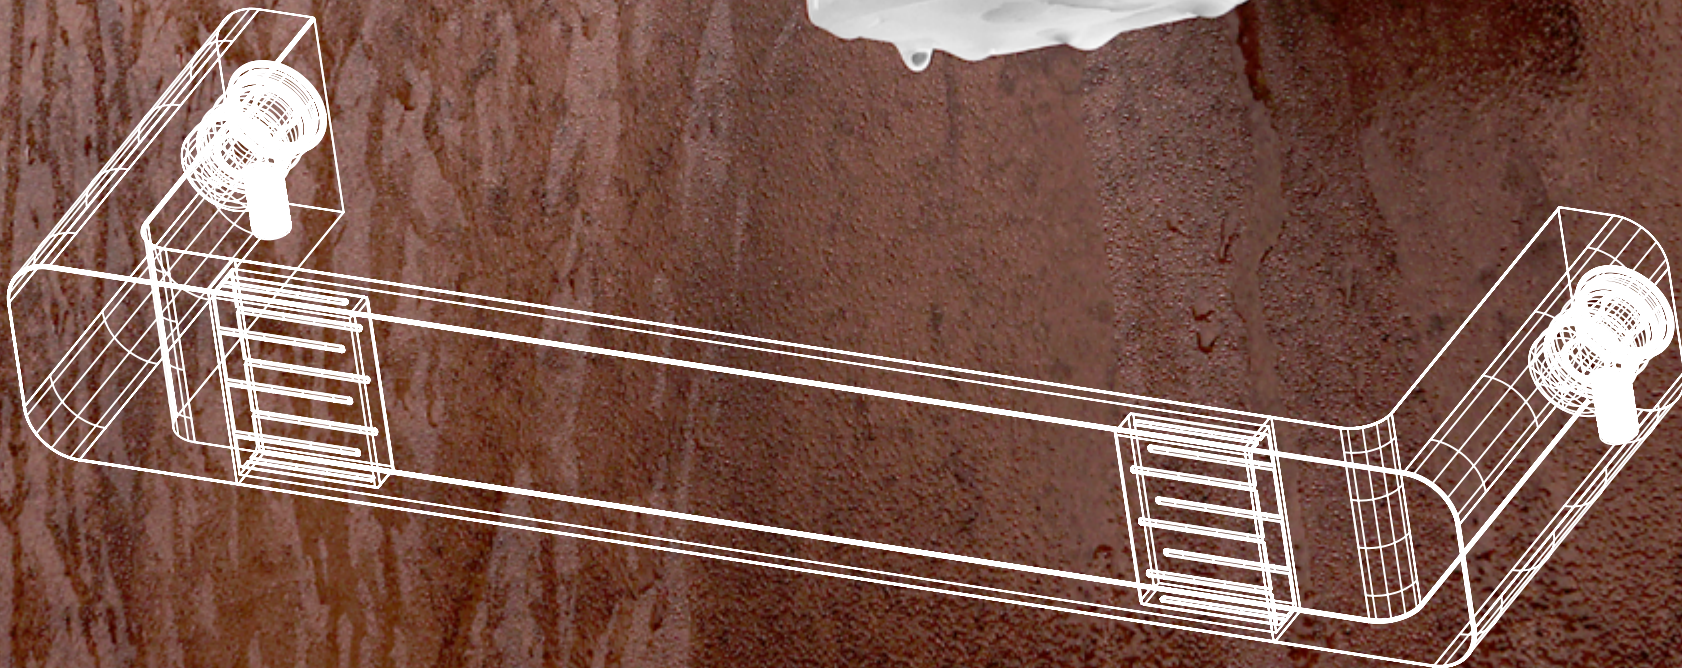

**PATENTED  
INDUSTRIAL DESIGN**

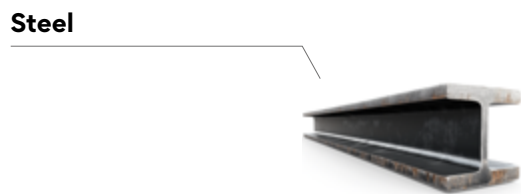

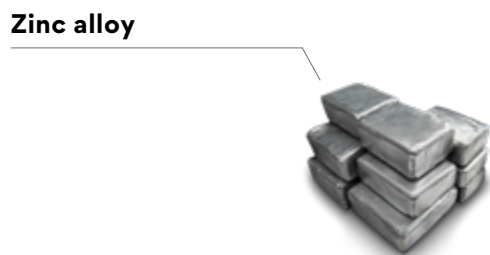

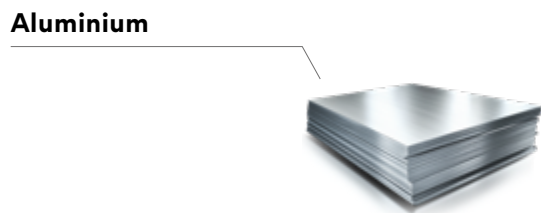

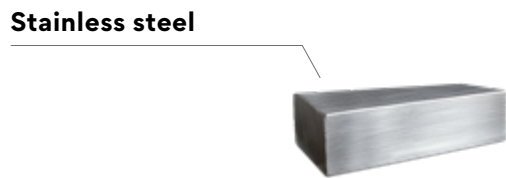

Our patented industrial design provides protection for the original appearance of the product, preventing copying and imitation. In this way, we ensure market exclusivity and differentiation from the competition. We emphasize on innovation and uniqueness.

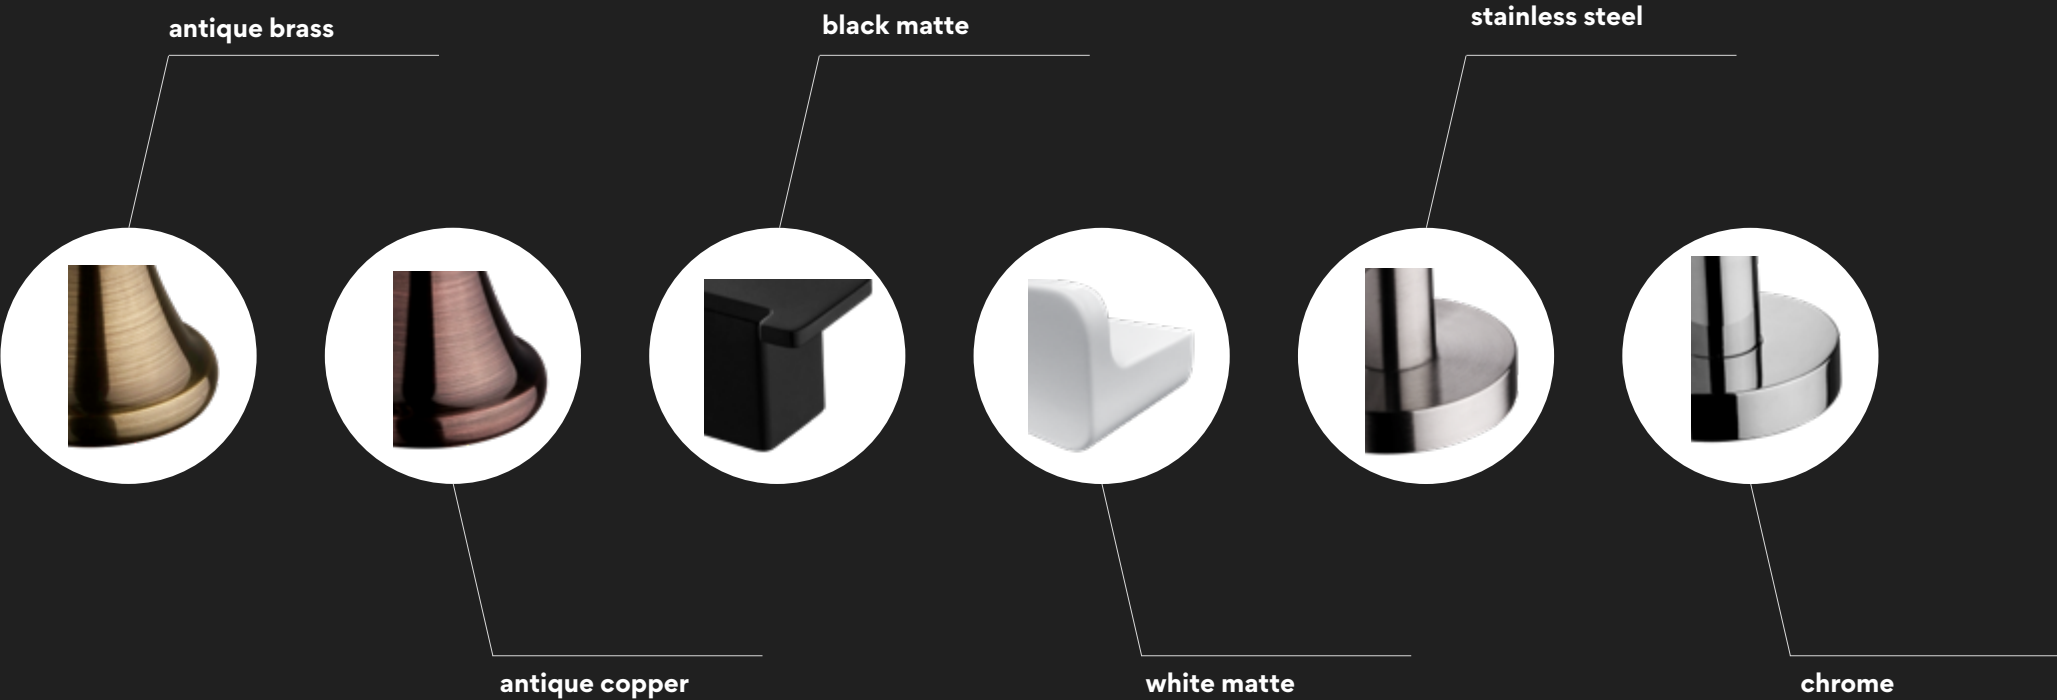

# MATERIALS

We are devoted to quality, therefore we commit to using high-quality materials on our products. Most of our designs are made of brass, with selected series made of brushed or burnished stainless steel no. 304. Chrome, antique brass, antique copper or modern matte black surface finishes are among our favorites.

# SURFACES

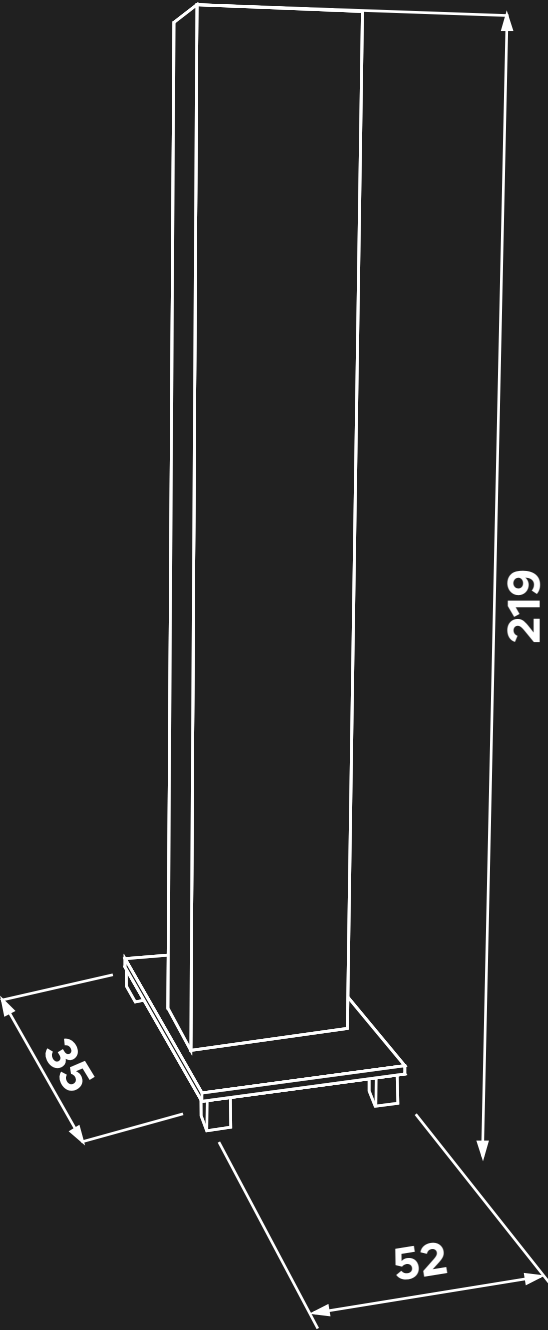

EXHIBITIONS PANELS  
FOR RETAIL

EXHIBITION STAND NO. 21

Our display panels for retail are designed to highlight our products and captivate customers at first glance. With a modern design, flexible solutions, and easy installation, they create a unique environment that boosts sales and enhances our brand's image. Focused on quality and detail, our panels adapt seamlessly to any space.

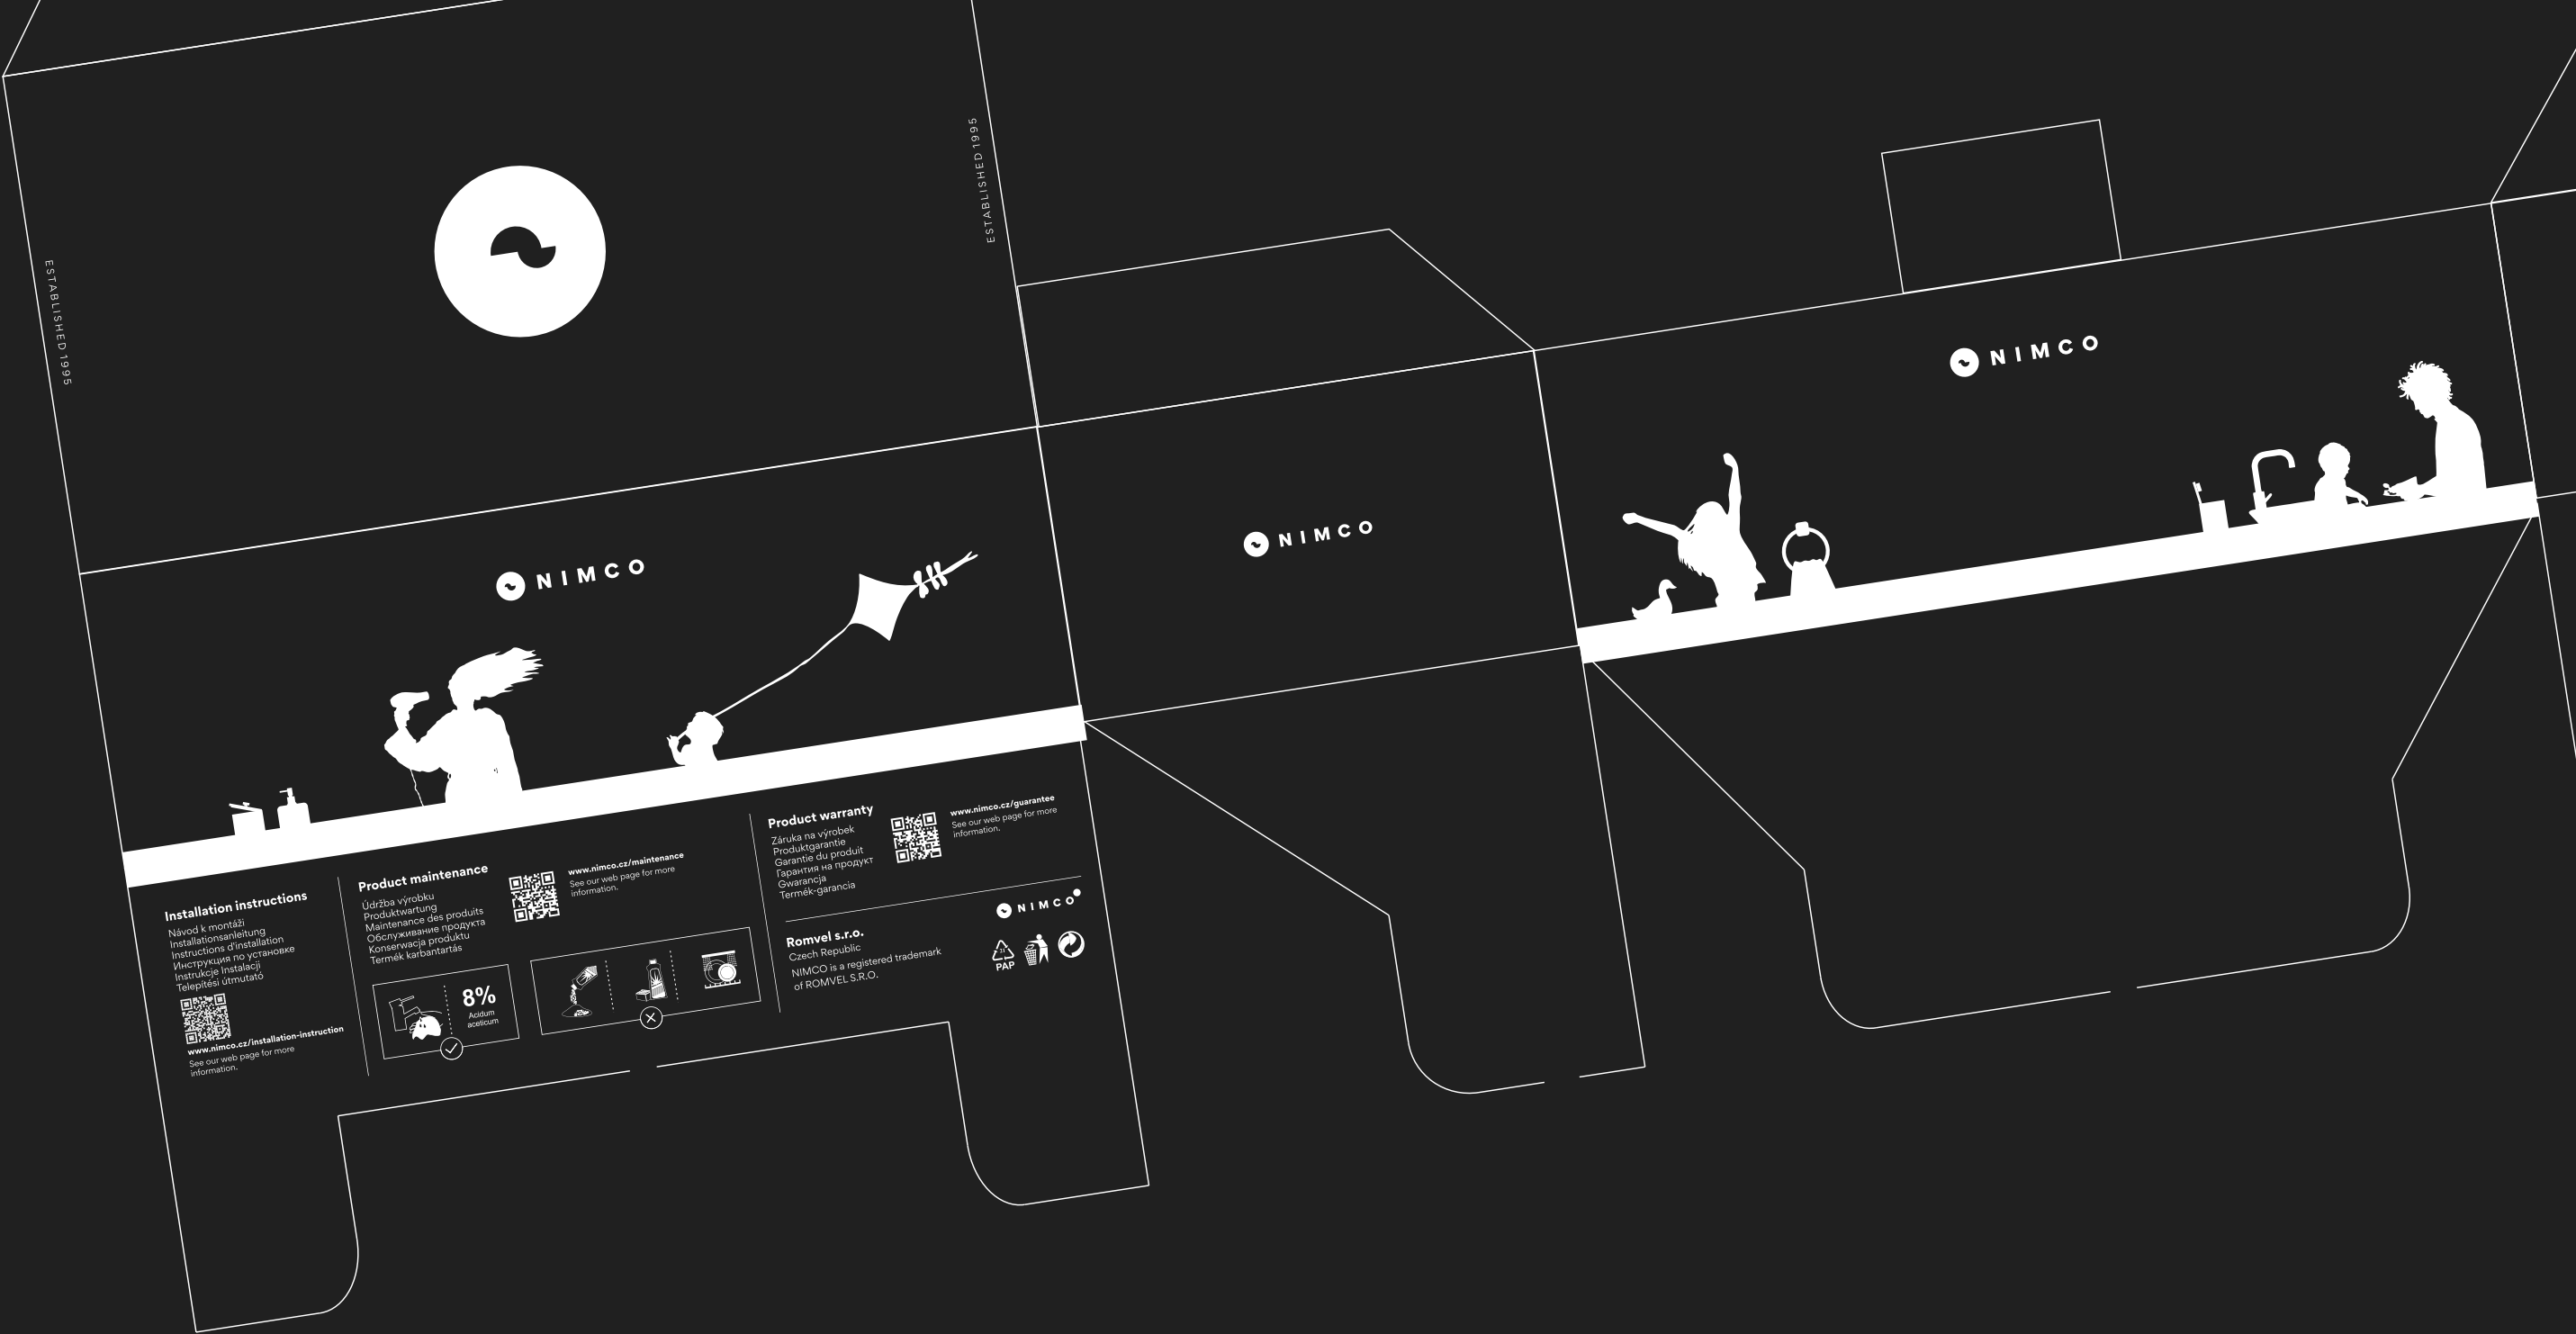

BROCHURES

Browse through our catalogues to discover a wide selection of LED mirrors and bathroom accessories which combine modern design, functionality, and top-notch quality. Get inspired by our innovative solutions that can transform any bathroom into a stylish and funkcional space. Each product in our catalog is thoughtfully designed with focus on aesthetics and everyday needs.

PACKAGING

Our boxes are true originals with motifs inspired by daily bathroom rituals such as hair blow-drying, taking a bath or tooth brushing. Available in natural brown or white, they provide all the required and important information about the purchased product.

# ADVERTISING IN MAGAZINES

Selected interior design magazines feature information about our upcoming plans, newly launched products, and company updates every year.

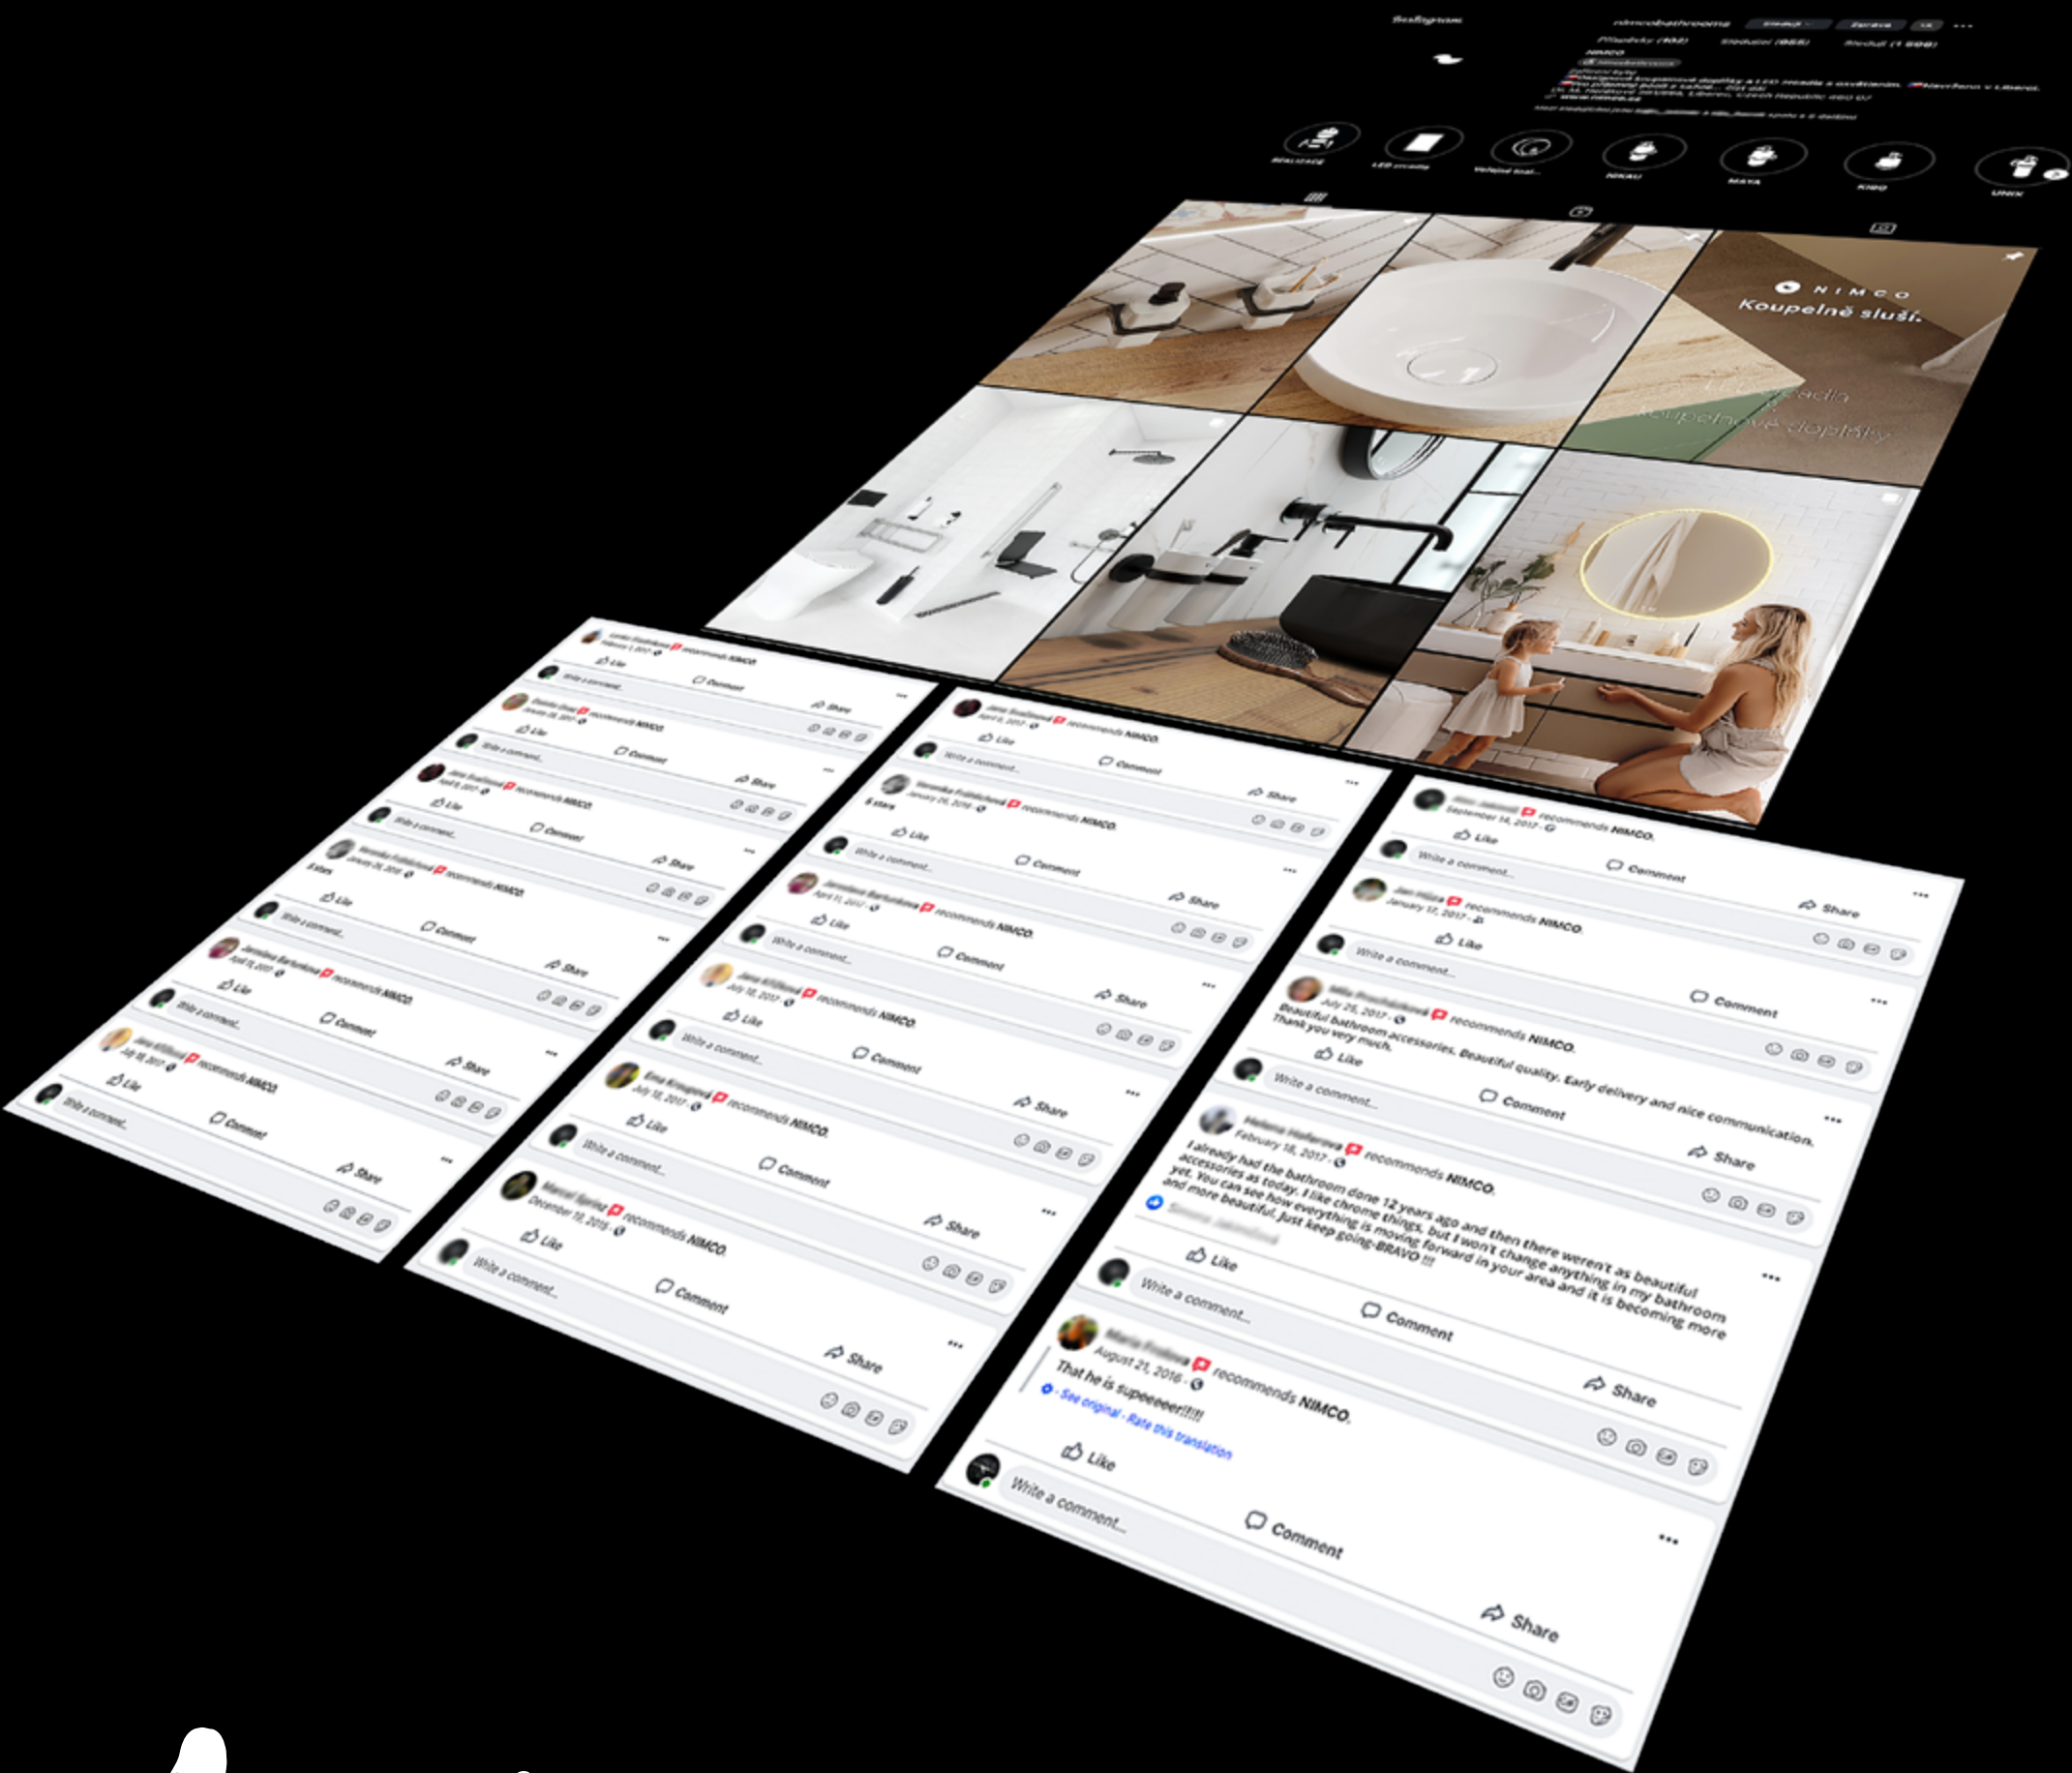

# SOCIAL MEDIA

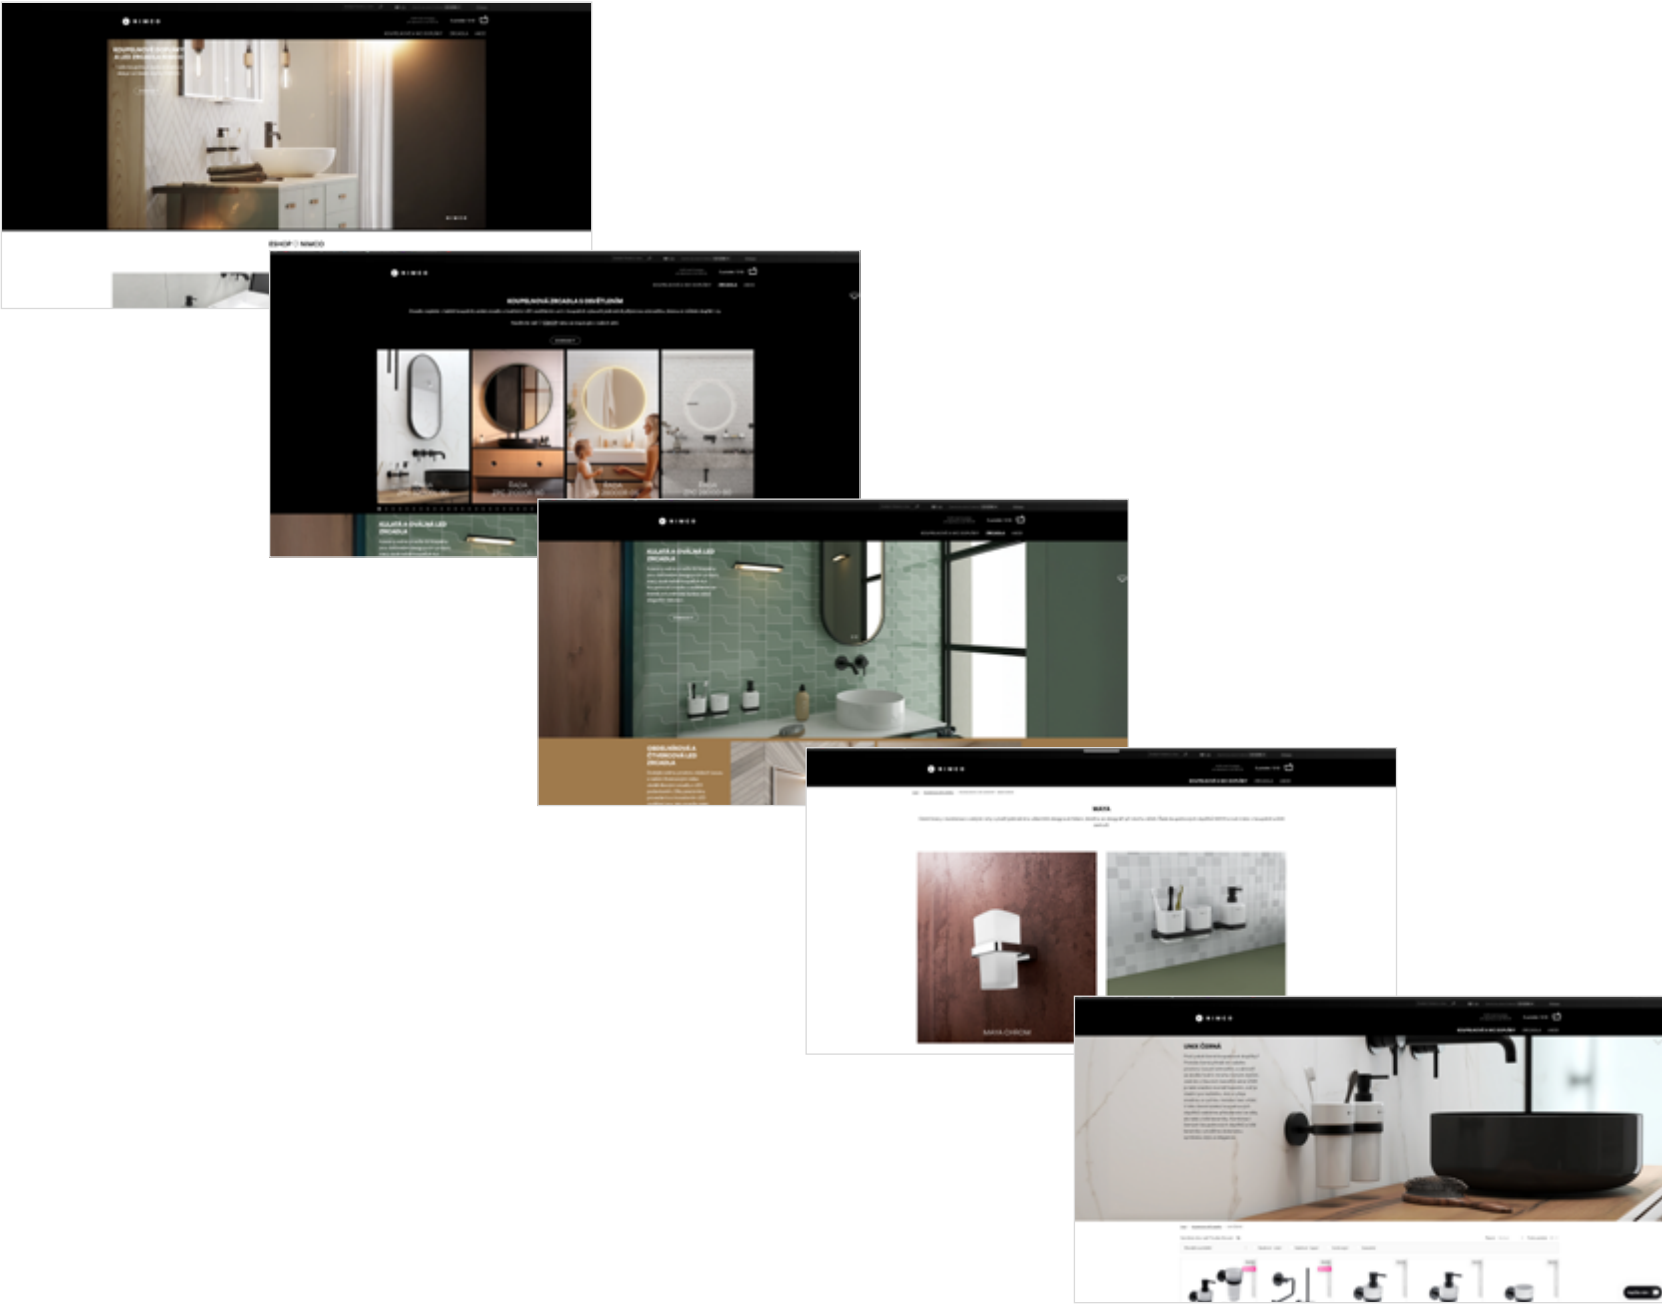

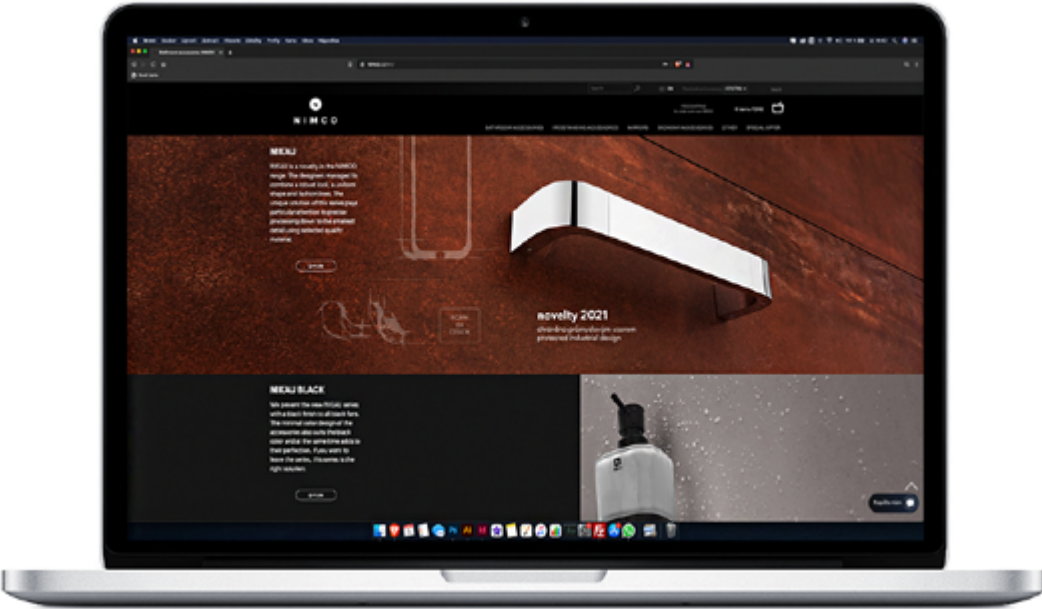

Our clients can connect with us on Facebook, Instagram, Pinterest and also YouTube where we frequently share updates, events, and ongoing competitions. We also showcase the trade fairs in which we participate regularly.

DISTRIBUTION

NIMCO continually grows its customer base in the Czech Republic and Slovakia, while ensuring the highest level of care for its existing customers with the utmost care.

NIMCO has already gained recognition among international customers, building a strong reputation both within Europe and beyond.

TRADE FAIRS

Each year, we participate in trade fairs dedicated to construction, design, and hotel equipment, both in the Czech Republic and internationally. These exhibitions provide us with a valuable opportunity to showcase our brand and unveil new products that we are preparing to launch in the market.

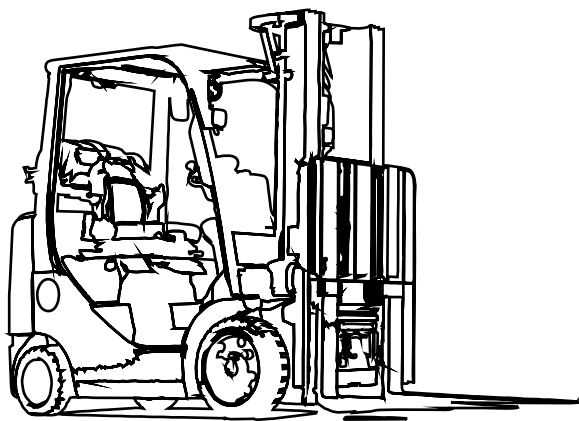

# WAREHOUSE

Czech Republic

A warehouse is where chaos meets order. In its quiet aisles, between towering shelves filled with goods, lie the stories of products waiting for their next adventure. Every box holds a secret—perhaps it's a fragile bathroom accessory, a stylish LED mirror, or a sleek storage shelf. NIMCO's warehouse is more than just a storage space; it's a place where innovation and design come together.

Here, products are meticulously organized, ready to inspire new bathroom ideas and transform spaces.

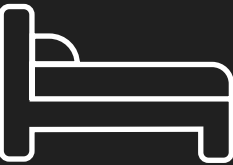

From visualizing design concepts to showcasing real-world uses, the warehouse serves as a testament to the quality and functionality that NIMCO brings to every product. Each item is carefully placed, ready to enhance homes and businesses with style, practicality, and lasting value.

# REFERENCES

Our bathroom accessories and LED mirrors are integral to exceptional projects worldwide. From luxury hotel resorts in the heart of European capitals to modern apartments along the Mediterranean coast, our products thrive in spaces where quality, design, and functionality are key. We work closely with architects, designers, and developers to craft customized solutions for every project. Our LED mirrors brighten hotel bathrooms with inviting, warm light, while our bathroom accessories enhance both practicality and aesthetic harmony in interiors. We export not only to neighboring countries but also to distant markets, showcasing that Czech design has a global reach. Our products stand for reliability and elegance, earning the appreciation of clients from boutique hotels in Europe to exclusive residences around the world.

Among other things, our products often go to projects. KIBO, UNIX or other series can be found in hotels in the Czech Republic, but also in other countries.
